One Minute Afta

Na everibodi wan live plenti good years for earth. But di truth be sey, death fit visit anytime come take pesin wey dey young, di one wey dey old; di one wey get plenti moni, di one wey no get; di one wey be saint, and di one wey dey sin. As Adam get curse to die for bodi becos of sin, na so e drag everi human being enta di curse (Romans 5:12).

Everibodi go die one day. Afta dat, we go face judgement (Hebrews 9:27). Wen pesin die, im pipo go dey sad. Dem go begin dey plan im funeral. Dem go make arrangements; dem go prepare to read im will. As dem dey mourn, di soul of di pesin wey die don dey inside one kain place like dat: E

fit be Paradise (di place wia righteous pipo dey stay bifor dem go resurrect, begin dey live life wey no dey end – *make you see Luke 23:42-43*), or e fit be Hades (di place wia pipo wey get sin dey stay till Judgement Day, wen God go troway dem inside lake of faya – *make you see Luke 16:23-28*).

If na Hades, di pesin don begin dey sofa now. E fit dey vex if e rememba pipo wey dey saved, wey dey close to am, but dem no tell am how e for enta Paradise. E fit dey regret if pipo warn am, and dem beg am make e comot hand for sin and receive Christ, but e no wan hear di tok. Di sad tin be sey, dis pipo no dey wit am now to dey beg am; and pesin no dey get chance wit Christ afta death. If di dead pesin dey for Paradise, dat one na very good news; di pesin dey rest for place wey beautiful pass anytin wey e don see bifor. Pain no dey; sorrow no dey. Na joy full there. E just dey wait for hin reward.

How you sef dey? You know wetin dey wait for you wen you die? Di pipo wey you dey follow don tell you sey salvation na serious mata? Dem don tell you sey, di tok: *Pesin go come back world con live as anoda pesin afta dem die*, na lie? Dem don tell you yet sey, nobodi fit dey saved becos of di good tins wey dem do, but only by Jesus Christ blood? Jesus Christ na di only way to Heaven. E tok sey, *"Na Me be di Way, di Truth and di Life. Nobodi fit come meet di Fada unless na tru Me"* (John 14:6). Na only Christ get power to save pipo - no oda pesin get am (Acts 4:12). E mean sey, pipo wey no gree receive am, con die like dat, go land inside lake of faya last last (Revelation 20: 15). God no promise sey anybodi go live to see tomorrow (James 4:13-15). Repent from sin now, con receive Christ, make you for get forgiveness and life wey no dey end. Tomorrow fit dey too late!

How Pesin fit Receive Jesus Christ Today?

Bible tok sey, if you use your mouth confess sey Jesus Christ na Lord, and you believe for your heart sey Baba-God raise am from di dead, you go dey saved (Romans 10:9).
