HOW TO RECEIVE JESUS CHRIST

TODAY

The Bible says that if you confess with your mouth that Jesus Christ is Lord and believe in your heart that God raised Him from the dead, you will be saved (Romans 10:9).

1. Admit that you are a sinner.

2. Be willing to turn away from your sins.

3. Believe in your heart that Jesus Christ

died for your sins on the Cross, and rose

from the dead.

4. Then bow your head and say the simple

prayer of salvation below.

Dear God, I confess that I am a sinner and separated from You because of my sins. I am truly sorry and now want to forsake my sinful lifestyle. I believe that Your Son, Jesus died for

Dear God, I confess that I am a sinner and separated from You because of my sins. I am truly sorry and now want to forsake my sinful lifestyle. I believe that Your Son, Jesus died for

this disease, and His Blood is the Healing Balm.

Christ did not only shed His Blood to cure the disease of our souls; He also took our pain and suffering away (Isaiah 53:4). He took away the consequences of the Original Sin: Unhealed physical and mental health conditions, sorrow, endless hardships, demonic oppression, and all other afflictions that would have befallen us if He

did not pay the price for our sins.

Christ also has authority over illnesses and

diseases. He spent much of His ministry on earth

healing people, with simple commands (Matthew

8:16-17, Luke 4:18-19, Matthew 4:24). Though He

is no longer on earth, we receive healing directly,

and through earthly physicians in His Name.

Do not keep suffering for what Jesus Christ

already paid for, and then get sentenced to eternal

torture after living a life of misery. Make the

decision to receive Him today, to be healed!

Did you know that Jesus Christ took several

stripes on His body so that the disease of your soul would be cured (1 Peter 2:24)? He was flogged with whips made of shards and sharp stones that tore open His flesh. Christ chose to

endure the scourging so that all mankind might be cured of this disease. However, despite the

huge sacrifice made, you cannot be cured of the

disease if you have no relationship with Him.

You may be wondering: *What is the disease*

of the soul? Sin is the disease of the soul. It is

the disease that we were all born with because

of the disobedience of Adam and Eve (Romans

5:12). Just like other diseases, we suffer when

Sin remains uncured. We live a life of misery,

and then face the final wrathful judgment of

God. Sin is incurable – not by any means. It

can only be cured by the Blood of Jesus Christ.
