The
Healing
Balm

Did you know that Jesus Christ took several stripes on His body so that the disease of your soul would be cured (1 Peter 2:24)? He was flogged with whips made of shards and sharp stones that tore open His flesh. Christ chose to endure the scourging so that all mankind might be cured of this disease. However, despite the huge sacrifice made, you cannot be cured of the disease if you have no relationship with Him.

You may be wondering: *What is the disease of the soul?* Sin is the disease of the soul. It is the disease that we were all born with because of the disobedience of Adam and Eve (Romans 5:12). Just like other diseases, we suffer when Sin remains uncured. We live a life of misery, and then face the final wrathful judgment of God. Sin is incurable – not by any means. It can only be cured by the Blood of Jesus Christ. Christ is the only Physician that can heal us of

this disease, and His Blood is the Healing Balm. Christ did not only shed His Blood to cure the disease of our souls; He also took our pain and suffering away (Isaiah 53:4). He took away the consequences of the Original Sin: Unhealed physical and mental health conditions, sorrow, endless hardships, demonic oppression, and all other afflictions that would have befallen us if He did not pay the price for our sins.

Christ also has authority over illnesses and diseases. He spent much of His ministry on earth healing people with simple commands (Matthew 8:16-17; Luke 4:18-19, Matthew 4:24). Though He is no longer on earth, we receive healing directly, and through earthly physicians in His Name.

Do not keep suffering for what Jesus Christ already paid for, and then get sentenced to eternal torment after living a life of misery. Make the decision to receive Him today, to be healed!
