HOW TO RECEIVE JESUS CHRIST

TODAY

The Bible says that if you confess with your mouth that Jesus Christ is Lord and believe in your heart that God raised Him from the dead, you will be saved (Romans 10:9).

1. Admit that you are a sinner.

2. Be willing to turn away from your sins.

3. Believe in your heart that Jesus Christ

died for your sins on the Cross, and rose

from the dead.

4. Then bow your head and say the simple

prayer of salvation below.

Dear God, I confess that I am a sinner and separated from You because of my sins. I am truly sorry and now want to forsake my sinful lifestyle. I believe that Your Son, Jesus died for

this disease and His Blood is the Healing Balm.

Christ did not only shed His Blood to cure

the disease of our souls; He also took our pain

and suffering away (Isaiah 53:4). He took away

the consequences of Sin: Physical and mental

health deterioration, sorrow, endless hardships,

spiritual bondage, and all other afflictions that

we would have been doomed to experience, if He

did not pay the price for our sins.

It is also worth mentioning that Jesus has

authority over illnesses and diseases. He spent

much of His ministry on earth healing people

with simple commands (Matthew 8:16-17, Luke

4:18-19, Matthew 4:24). In His Name, we receive

healing directly, and through earthly physicians.

Do not suffer for what Jesus Christ already

paid for, and get sentenced to eternal torment

after living a life of misery. Make a decision to

turn your life over to Him today to be healed.

Did you know that Jesus Christ took several

stripes on His body so that the disease of your

soul would be cured (1 Peter 2:24)? He was

flogged with whips made of shards and sharp

stones that tore open His flesh. Christ chose to

endure the scourging so that all mankind might

be cured of the disease. However, despite the

huge sacrifice made, you cannot be cured of the

disease if you have no relationship with Him.

You may be wondering: *What is the disease*

of the soul? Sin, is the disease of the soul. It is

the disease that we were all born with because

of the disobedience of Adam and Eve (Romans

5:12). Just like other diseases, we suffer when

Sin remains uncured. We live a life of misery,

and then face the final wrathful judgment of

God. Sin is incurable – not by any means. It

can only be cured by the Blood of Jesus Christ.
