There are dreadful adversities in the world today: Economic hardship, physical and mental health challenges, hatred and prejudice, gun violence, terrorism, domestic violence, injustice, and more.

You may like to think that you are self-sufficient and in need of nothing from Christ. You trust in your strength, intellect, wealth, or loved ones for survival; but the harsh reality is that not everything in life is certain. Strength may fail due to ill-health. Intellectual capabilities may decline due to severe mental health challenges. Wealth could vanish in the twinkling of an eye. Loved ones may depart this life unexpectedly, while some may disappoint us as their love grows cold.
